Hey Tucker,

Heather wants us to work together to fill out this press release. I'd really appreciate your help on this.

What we need is as follows:

- How many jobs will the mine create?
- What will be the average salary?
- In which counties is the mine?
- Since when was the permit pending?
- Can you get quotes from the two listed entities, as well as a photo?

Thank you so much for your help with this.
